

L Number	Hits	Search Text	DB	Time stamp
11	6731	(duplicate or replicate) same (main or master or central) directory and even same (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) and poll and server and message and compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:35
12	6730	(duplicate or replicate) same (main or master or central) directory and even same (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) and poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:36
13	1842	replicate same (main or master or central) directory and even same (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) and poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:36
14	982	replicate with (main or master or central) directory and even same (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) and poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:36
15	981	replicate with (main or master or central) directory and event same (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) and poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:36
16	982	replicate with (main or master or central) directory and event same (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) and poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:36
17	982	replicate with (main or master or central) directory and event with (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) and poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:37
18	981	replicate with (main or master or central) directory and event with (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) with queue with poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:37
19	481	replicating with (main or master) directory and event with (notif\$6 or alert or alarm) and sequence with (calculate or update or change or increment) with queue with poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:37
20	481	replicating with (main or master) directory and event with (notif\$6 or alert) and sequence with (calculate or update or change or increment) with queue with poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:37
21	481	replicating with (main or master) directory and event with (notif\$6 or alert) same sequence with (calculate or update or change or increment) with queue with poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:38

22	481	replicating with (main or master) directory and event with (notif\$6 or alert) same sequence with (update or change or increment) with queue with poll and server and message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:38
23	481	replicating with (main or master) directory and event with (notif\$6 or alert) same sequence with (update or change or increment) with queue with poll with message with compar\$4 with number	USPAT; US-PGPUB	2003/11/20 16:38
24	481	replicating with (main or master) directory and event with (notif\$6 or alert) same sequence with (update or change or increment) with queue with poll	USPAT; US-PGPUB	2003/11/20 16:38
25	481	replicating with (main or master) directory and event with (notif\$6 or alert) same sequence with (update or change or increment) with queue with polling	USPAT; US-PGPUB	2003/11/20 16:39
26	481	replicating with (main or master) directory and event with (notif\$6 or alert) same sequence with increment\$4 with queue with polling	USPAT; US-PGPUB	2003/11/20 16:40
27	466	replicating with (main or master) directory and event with (notif\$6 or alert) same sequence with increment\$4 with queue with polling	USPAT; US-PGPUB	2003/11/20 16:40
28	0	replicating with (main or master) with directory and event with (notif\$6 or alert) same sequence with increment\$4 with queue with polling	USPAT; US-PGPUB	2003/11/20 16:40
29	0	replicating with (main or master) with directory and event with (notif\$6 or alert) same sequence same increment\$4 same queue and polling	USPAT; US-PGPUB	2003/11/20 16:41
30	0	replicating with (main or master) with directory and event with (notif\$6 or alert) same sequence same increment\$4 and polling	USPAT; US-PGPUB	2003/11/20 16:41
31	0	replicating with (main or master) with directory and event with (notif\$6 or alert) same sequence same (increment\$4 or change or update) and polling	USPAT; US-PGPUB	2003/11/20 16:41
32	0	replicating same (main or master) with directory and event with (notif\$6 or alert) same sequence same (increment\$4 or change or update) and polling	USPAT; US-PGPUB	2003/11/20 16:42
33	0	replicating same (main or master or central) with directory and event with (notif\$6 or alert) same sequence same (increment\$4 or change or update) and polling	USPAT; US-PGPUB	2003/11/20 16:42
34	0	replicating same (main or master or central) with directory and event same (notif\$6 or alert) same sequence same (increment\$4 or change or update) and polling	USPAT; US-PGPUB	2003/11/20 16:42
35	0	replicating same (main or master or central) with directory and event same (notif\$6 or alert) and sequence same (increment\$4 or change or update) and polling	USPAT; US-PGPUB	2003/11/20 16:42
36	2	replicating same directory and event same (notif\$6 or alert) and sequence same (increment\$4 or change or update) and polling	USPAT; US-PGPUB	2003/11/20 16:43
37	7	replicating same directory and event same (notif\$6 or alert) and sequence and (increment\$4 or change or update) and polling	USPAT; US-PGPUB	2003/11/20 16:43

38	4	replicat\$4 with database with directory and event same (notif\$6 or alert) and sequence and (increment\$4 or change or update) and polling	USPAT; US-PGPUB	2003/11/20 16:46
39	0	compar\$4 with sequence with number same replicat\$6 with directory and server and event with noti\$6	USPAT; US-PGPUB	2003/11/20 16:47
40	0	compar\$4 with sequence with number same replicat\$6 with directory	USPAT; US-PGPUB	2003/11/20 16:47
41	1	compar\$4 with sequence with number same replicat\$6 same directory	USPAT; US-PGPUB	2003/11/20 16:47
42	1	compar\$4 same sequence with number same replicat\$6 same directory	USPAT; US-PGPUB	2003/11/20 16:47
43	1	compar\$4 same sequence same number same replicat\$6 same directory	USPAT; US-PGPUB	2003/11/20 16:48
44	1	compar\$4 same sequence same replicat\$6 same directory	USPAT; US-PGPUB	2003/11/20 16:48
45	3	compar\$4 and sequence same value same replicat\$6 same directory	USPAT; US-PGPUB	2003/11/20 16:52
46	3	compar\$4 same sequence and value same replicat\$6 same directory	USPAT; US-PGPUB	2003/11/20 16:52
